Dear Sirs,

In lieu of a completed budget, we are submitting this letter to acknowledge that we have committed funding for our share of the E-rate.

We have committed \$27,500 for telecommunication services for the 2001-02 school year. For the internal connection portion of the E-rate, we have negotiated, pending SLC funding, with our vendors – Leviathan Development and IdentityWeb that our portion of \$55,289.75 will be paid out over a 10-year payout period.

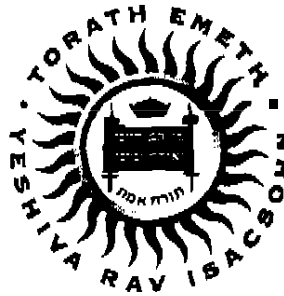

Thank you for your kind cooperation.

Sincerely Yours,

Mordechai Younger
Administrator

FCC Appeal -CC-Docket Nos. 96-45 and 97-21

FRN: 564835,564893, 564951

Dear Sirs,

We are appealing the SLD decision to deny funds to our institution for funding year 4 07/01/2001-06/30/2002. We had indicated on our operating budget that we would pay one of our service providers over a ten year period. SLD has denied our application in full because Block 6, Item 25, OMB 3060-0806, October 2000 on Certification Form 471 requires the institution to pay the service provider the full cost of the non-discounted portion from the funds budgeted within that funding year.

Unfortunately this was an oversight on our part. However, as indicated on our correspondence dated November 12, 2001 we had committed \$27,500 for telecommunications aside from the sum we had negotiated to pay over 10 years. We are requesting a reconsideration of the FRN's indicated on this letter. This \$27,500 would amply cover the non-discounted portion of the amount requested from SLD for these FRN's. We have erred in our request for the full funding, but we are requesting to be reconsidered for partial funding.

Please find a copy of the original letter dated November 12, 2001.

Thank you in advance for your consideration
